

Don't get nailed!

Nails are outdated and hazardous – especially on golf courses and playgrounds. MAPEI's product line for synthetic landscape/golf turf provides safe and ideal installation systems for any synthetic turf landscaping project.

Designed for the permanent installation of synthetic turf, MAPEI's landscape adhesives can withstand harsh outdoor environments as well as demanding indoor applications. Safer, easier to install and longer-lasting than traditional nail-down applications, the turf adhesive line is perfect for golf greens, pet areas, playgrounds and other commercial/residential decorative areas. For more information about MAPEI's durable and safe adhesive line for synthetic turf, visit mapei.us.

- *Ultrabond Turf MS* (4 U.S. gals.)
- *Ultrabond Landscape Turf CG* (1 U.S. gal. and 4 U.S. gals.)

Ultrabond® Turf MS

Premium, hybrid, synthetic turf adhesive

Ultrabond Turf MS is a high-tack, fast-setting, one-component, modified-silane hybrid adhesive designed for installation of landscaping synthetic turf and high-performance synthetic sports turf. *Ultrabond Turf MS* meets FIFA bond requirements and is suitable for installation in most weather conditions. *Ultrabond Turf MS* is colored green to blend in with most synthetic turf products.

Availability: Pail, 4 gallons (15.1 L)

Ultrabond® Landscape Turf CG

Commercial-grade, landscape turf adhesive

Ultrabond Landscape Turf CG is a commercial-grade adhesive ideal for indoor and outdoor landscaping synthetic turf installations. *Ultrabond Landscape Turf CG* has excellent all-weather resistance with superior bond strength and can be used for full spread and seaming installations.

Availability: Pails, 1 gallon (3.79 L) and 4 gallons (15.1 L)

Ultrabond® Landscape Tape

Seam tape for landscaping synthetic turf

Ultrabond Landscape Tape is a low-density, PET-based, spun-bonded, nonwoven fabric tape designed specifically to work with *Ultrabond Landscape Turf CG* or *Ultrabond Turf MS* adhesive for seaming landscaping synthetic turf. *Ultrabond Landscape Tape* is waterproof and provides excellent tensile strength and tear resistance. *Ultrabond Landscape Tape* is the ideal seaming base for installations of all landscaping synthetic turf.

Availability: Rolls, 6" x 100 ft. (15 cm x 30.5 m), 12" x 50 ft. (30 cm x 15.2 m) and 12" x 100 ft. (30 cm x 30.5 m)
