Mapesil™ T

Color-matched to MAPEI's grouts, *Mapesil T* can be used in every joint if needed, including soft joints to accommodate movement.

- 100%-silicone sealant for use on multiple substrates
- Specifically formulated for heavy traffic and expansion/movement joints
- Exceeds ASTM and ANSI standards

* For the "XX" and "XXX" portions of the product code, use the two- or three-digit number of the desired grout color.

HIGH-PERFORMANCE SYSTEMS WITH BUILT-IN CONFIDENCE

MAPEI's System Warranties

System warranties from MAPEI provide enhanced coverage, including replacement product and reimbursement of associated replacement costs. When considering a system warranty, the customer and the MAPEI representative should review the MAPEI products applicable for each category of the installation – such as surface preparation, waterproofing, mortars and grouts. For any installation exceeding 10,000 square feet (929 m²), contact MAPEI's Technical Services Department to confirm the system recommendations.

Special Circumstance Warranties

Commercial and residential contractors can contact their distributor to locate a MAPEI sales representative, who can provide a project warranty when it is a required contract document. All project warranties must be requested prior to the start of the installation.
