

MAPEI UK LTD

# OUR MISSION

## Mission in support of Mapei SpA

Mapei UK offers Product development, production, sales, technical service and specification of adhesives, mortars and chemical products for building and industrial applications as well as Sales and technical services of bituminous, PVC/ TPO waterproofing membranes & insulating systems to the building industry.

- We strive to be one step ahead of the market in our thought process.
- Our aim at all times is to be a valued partner to our members of staff, customers and suppliers, offering added value solutions.
- We will always work hard to make sure that Mapei UK is supplying innovative and quality products and services that meet the needs of the customer and market.
- Our goal is to run a business that our staff are proud of, that delivers excellent products and service and is financially successful and maintains a solid base.
- We will be honest and transparent in our dealings with our team, suppliers, and the general public.

**“By my signature I hereby commit the company to the continued improvement of the company. In support of this statement Objectives will be developed each year and agreed by the Process Owners”.**
