*RECOMMENDED*  
*IN ACCORDANCE WITH GLOSS*  
**ONLY FOR REMOVING OLD COATS OF ULTRACOAT CLEAN POLISH OR ULTRACOAT CLEAN WPM**
Two-component, solvent-free, moisture curing polyurethane primer with a very low emission level of volatile organic compounds (VOC), for consolidating and waterproofing cementitious screeds.

Primer MF

Two-component, solvent-free epoxy primer used as bonding promoter for products from the MAPEFLOR range, for consolidating and waterproofing against residual damp on cementitious substrates and as anti-dust impregnator on concrete floors.

Eco Prim PU 1K

One-component, solvent-free, moisture curing polyurethane primer with a very low emission level of volatile organic compounds (VOC), for consolidating and waterproofing cementitious screeds.

Eco Prim PU 1K Turbo

One-component, solvent-free, moisture curing, rapid-drying polyurethane primer with a very low emission level of volatile organic compounds (VOC), for consolidating and waterproofing cementitious screeds.

PARQUET PRODUCTS FOR LAYING PARQUET

Universal Cleaner

Concentrated detergent developed for cleaning varnished and oiled wooden floors. Also suitable for routine floor cleaning operations and for particularly dirty floors.

Touch Base

Dirty floors.

Operations and for particularly suitable for routine floor cleaning and oiled wooden floors. Also developed for cleaning varnished concentrated detergent

ULTRACOAT SOFT TOUCH FINISH.

Concentrated detergent

Universal Cleaner

Touch Base

Dirty floors.

Operations and for particularly suitable for routine floor cleaning and oiled wooden floors. Also developed for cleaning varnished concentrated detergent

</table>
| **Ultracoat Oil** | Wax

**Ultracoat Ultracoat Oil Care**

Natural drying resin oil in water dispersion for finishing wooden floors treated with oil.

**Ultracoat Ultracoat Oil Plus**

Low-odour urethane oil finish for wooden floors. It can be painted over with the ULTRACOAT finishes.

**Ultracoat Ultracoat Oil Color**

Low-odour urethane oil finish for colouring wooden floors. It can be painted over with the ULTRACOAT finishes.

**Ultracoat Ultracoat Oil Wax**

Water and oil-repellent oilwax finish with very little odour used to protect wooden surfaces and give them a delicate, warm colour.

**Ultracoat Ultracoat Polish Remover**

Concentrated de-waxing solution, developed specifically for removing ULTRACOAT CLEAN POLISH / ULTRACOAT CLEAN WAX from painted wooden floors. It may also be used to remove small marks from the surface of floors treated with lacquers from the ULTRACOAT range.

**Ultracoat Ultracoat Easy Plus**

One-component, water-based 100% polyurethane varnish with high resistance to wear and abrasion, for wooden floors. Suitable for floors subject to frequent pedestrian use.

**Ultracoat Ultracoat High Traffic**

Two-component, NMP-free, 100% polyurethane water-based varnish with high resistance to wear and abrasion and very low emission of volatile organic compounds (VOC), for wooden floors. Suitable for floors subject to extremely high pedestrian use.

**Ultracoat Ultracoat Premium Base**

Two-component, NMP-free, water-based undercoat with very low emission of volatile organic compounds (VOC) and high insulating capacity, for preparing solid and pre-sanded wooden floors and wooden floors under repair for water-based finishing cycles.

**Ultracoat Ultracoat Toning Base**

Two-component, water-based undercoat with high insulating properties, very low emission of volatile organic compounds (VOC), and no NMP for preparing solid and pre-sanded wooden floors and wooden floors under repair prior to applying ULTRACOAT water-based finishing cycles.

**Ultracoat Ultracoat Oil Care**

Natural drying resin oil in water dispersion for finishing wooden floors treated with oil.

**Ultracoat Ultracoat Oil Plus**

Low-odour urethane oil finish for wooden floors. It can be painted over with the ULTRACOAT finishes.

**Ultracoat Ultracoat Oil Color**

Low-odour urethane oil finish for colouring wooden floors. It can be painted over with the ULTRACOAT finishes.

**Ultracoat Ultracoat Oil Wax**

Water and oil-repellent oilwax finish with very little odour used to protect wooden surfaces and give them a delicate, warm colour.
