

WINDOW SILL DETAIL

These standard details are provided for guidance only and should not be considered as comprehensive for design or construction purposes. It is the responsibility of the appointed principal designer to ensure that these details are appropriated adapted for specific projects.

Drawing Details:

Mapetherm AR1 GG - One component cementitious mortar for bonding, levelling and reinforcing thermal-insulating panels and thermal insulation systems.

Mapetherm Net - Glass fibre mesh resistant to alkalis, ideal for reinforcing skim coats for repairing façades and installing Mapetherm thermal insulation systems.

Mapesil AC - Pure, mould-resistant, acetic, silicone sealant available in over 40 colours.

Silancolor Base Coat - coloured siloxane basecoat.

Silancolor Tonachino - Silicone resin based plaster in paste form available in different grain sizes for "rustic" effect exterior finishings, suitable for walls requiring attractive finishing, excellent water-repellence and vapour permeability.

STATUS: APPROVED - REV 1
