19<sup>th</sup> December 2016

Dear Customer

Re: GHS Labelling Requirements commencing 1st January 2017

At MAPEI concern for the environmental impact of our products is more than a trend; it is a fundamental part of our philosophy, corporate commitment and industrial responsibility.

MAPEI is committed to formulating water dispersion and solvent-free products and leads the industry with the largest selection of **ecologically friendly** products available worldwide.

As at 1<sup>st</sup> January 2017 you will see new labelling on all of our products to comply with **Labelling of Workplace Hazardous Chemicals Code of Practice** approved under Section 274 of the *Work Health and Safety Act (WHS Act)*.

It is important to note that these are labelling and classification changes only to comply with this Code of Practice.

All MAPEI products **manufactured after the 31<sup>st</sup> December 2016** will contain this new GHS labelling.

To read more information please go to [www.safeworkaustralia.gov.au](http://www.safeworkaustralia.gov.au).

In addition to the GHS labels, MAPEI will also have the updated Safety Data Sheets (SDS) available for download from our website at [www.mapei.com.au](http://www.mapei.com.au).

If you require further information please contact MAPEI on Freecall 1800 652666.
