

NO. 18 DECEMBER 2016

***BEST WISHES TO EVERYONE !***

**With the end of the year just around the corner, Mapei would like to wish everyone a very Merry Christmas and a safe holiday season!**

We hope that 2016 has been a mutually beneficial year for all Mapei customers and we thank you for your loyalty!

Mapei started the year off in our new premises in Brisbane allowing increased production and fantastic growth that we have been able to pass on to our customers through improved service, product availability and product range.

In 2017 MAPEI will be celebrating our **80th Anniversary** so keep reading our newsletters to find out what exciting activities we have planned!

Read online or if you would like a copy posted to you each quarter then complete the registration form on our website.

Happy reading!

## NEW PRODUCT RELEASE

### MapePUR Universal Foam M

#### Expanding Polyurethane Foam

One-component expanding polyurethane foam for filling gaps and for soundproofing and insulating work. *MapePUR Universal Foam M* is used to fill, seal and insulate gaps and breaks between a wide range of construction features and fittings used in the building industry and in plant systems.

#### Some application examples are:

- Insulating and soundproofing door frames, window frames and roller-blind housings
- Filling and insulating gaps between different types of building materials
- Fixing support frames in place for door and window fittings
- Filling and insulating gaps between support frames and walls and support frames and fittings when installing doors and windows
- Insulating through pipes for heating, air-conditioning and cooling systems
- Filling and insulating construction features and fittings on roofs and flat roofs
- Filling and insulating features and fittings used for insulated cladding systems
- Bonding embedded electrical fittings such as cable-runs and junction boxes, including in plasterboard walls
- Sealing foamwork to make them leak-proof when pouring fluid concrete

**MapePUR Universal Foam M is available in 750ml hand-held cans - 12 cans per carton.**
