

ENRICO BARISON, NEW MANAGING DIRECTOR OF PROFILPAS

This company specializing in the manufacture of profiles is part of the
Mapei Group

Milan, November 7th 2023 – Enrico Barison is the new managing director of Profilpas, a company taken over by the Mapei Group in September 2022 that specializes in the manufacture of profiles for floors and walls, shower channels and installation accessories based in Cadoneghe (Padua).

Enrico Barison's career began in the late 1970s in the resilient/textile flooring industry. He honed his skills and expertise working at the multinational group Tarkett in everything from the commercial sector to the management of the entire sales process for southern European.

With work experience spanning over 30 years, Barison will help Profilpas expand its business operations in Italy and the rest of the world, steering the company's incorporation in the Mapei group.

Mapei

Founded in Milan, Italy, in 1937, Mapei is one of the world's leading manufacturers of chemical products for the building industry and has contributed to the construction of some of the most important architectural and infrastructural works worldwide. With 102 subsidiaries in 57 countries and 90 production plants operating in 35 countries, the Group employs over 11,900 staff worldwide. In 2022, the Mapei Group recorded consolidated revenue of 4 billion Euro. The company's success is based on: specialisation, internationalisation, research & development and sustainability
