

MAPEI DENMARK A/S EXPANDS MARKET PRESENCE BY OPENING PRODUCTION UNIT, WAREHOUSE AND OFFICES IN JUTLAND

Vejen, January 16th - MAPEI Denmark A/S, part of MAPEI Group, a leading manufacturer of construction materials and chemical products, is pleased to announce that from January 2024, it will enlarge its presence on the Danish territory by acquiring a 15,000 square meters facility in Vejen to host new offices, warehouse, and a production unit for concrete admixtures.

This strategic investment will reinforce MAPEI's commitment to expand its market presence in the Nordic countries and improve customer proximity and product portfolio.

By establishing local advanced production capabilities, MAPEI Denmark will enhance its ability to meet the growing demand for high quality building materials, becoming a key player in the Danish construction industry while lowering its contribution to transport's carbon footprint.

MAPEI's commitment to sustainability and environmentally friendly practices remains steadfast. The company aims to leverage the new resources in Denmark to develop and produce high performing products and solutions, in particular concrete admixtures, that minimize environmental impact and contribute to a greener future.

Commenting on the investment, Veronica and Marco Squinzi, CEOs of Mapei Group, said: *"We are delighted to reinforce our presence in Denmark. This asset is an important milestone in our internationalization and localization strategy. We are committed to providing excellent customer service, and this acquisition will further enhance our ability to offer tailored solutions and support our valued customers in Denmark"*.

About Mapei

Founded in 1937 in Milan, Mapei is now one of the world's leading manufacturers of chemical products for the building industry and has contributed to the construction of some of the most important architectural and infrastructural works worldwide.
