MAPEI Corporation announces unveiling of No. 98 MAPEI / CURB Honda with Andretti Global

No. 98 will be driven by Marco Andretti at Indianapolis 500

Deerfield Beach, Florida - MAPEI, a leading global manufacturer of adhesives, sealants and chemical products for the construction industry, proudly announces the unveiling of the No. 98 MAPEI / CURB Honda as part of the Andretti INDYCAR program. The car will be driven by racing icon Marco Andretti at the upcoming 108th Running of the Indianapolis 500 presented by Gainbridge.

As the primary sponsor of the No. 98 car at the 2024 Indianapolis 500, MAPEI is thrilled to showcase its partnership on the track. The sleek MAPEI blue design features the company's logo prominently, symbolizing MAPEI's commitment to excellence, innovation and performance.

"We are excited to unveil with the Andretti team the No. 98 MAPEI / CURB Honda, which will proudly represent MAPEI on the track at the Indianapolis 500," said Luigi Di Geso, MAPEI's President and CEO. "Our sponsorship of the Andretti team and participation in the Indy 500 reflect our dedication to pushing boundaries and achieving success, both on and off the track."

Marco Andretti, a seasoned driver from a family with a legacy of racing excellence, will command the MAPEI-branded car as he navigates the legendary Indianapolis Motor Speedway.

"The MAPEI / CURB Honda looks great, and it was exciting to get the chance to unveil it at the Indianapolis Motor Speedway before the month of May officially gets started. There's so much tradition and history at IMS and I'm looking forward to being a part of MAPEI's first Indianapolis 500," said Andretti. "We have high expectations this year and we're going to do everything we can to put ourselves in a position at the end to be up front with a shot at winning."

With the race scheduled for Sunday, May 26, anticipation is building as MAPEI looks forward to seeing Marco Andretti and the No. 98 MAPEI / CURB Honda compete against the world's top drivers.

MAPEI extends its best wishes to Marco Andretti and the entire Andretti INDYCAR team for a successful and thrilling race at the 108th Running of the Indianapolis 500. Stay tuned for updates and follow every turn in MAPEI's journey on our social-media channels.

MAPEI

Founded in 1937 in Milan, MAPEI is now one of the world's leading manufacturers of chemical products for the building industry and has contributed to the construction of some of the most important architectural and infrastructure works worldwide. With 102 subsidiaries operating in 57 countries and 90 manufacturing plants in 35 nations, MAPEI Group employs about 11,900 staff worldwide. The foundations for the success of the company are specialization, internationalization, research & development, and sustainability.

Headquartered in Deerfield Beach (Florida), MAPEI North America consists of the subsidiaries MAPEI Corporation (for the USA), MAPEI Inc. (for Canada) and MAPEI Caribe (for Puerto Rico and other Caribbean islands), whose 28 facilities collectively have a workforce of about 1,800 employees. MAPEI facilities are certified to be in conformance with requirements in the ISO 9001, ISO 14001 and ISO 45001 Standards for Management Systems. An environmentally conscious manufacturer that reinvests 5% of its revenue into R&D, MAPEI offers training for architects, contractors, installers and distributors through the MAPEI Technical Institute.
