

Declaration of performance: No. CPR-IT1/0414

1. Unique identification code of the product-type: **MAPECOAT I 620 W**
2. Type, batch or serial number or any other element allowing identification of the construction product as required under Article 11(4) of the CPR
SURFACE PROTECTION TWO-COMPONENT EPOXY PRODUCT-COATING
3. Intended use or uses of the construction product, in accordance with the applicable harmonised technical specification, as foreseen by the manufacturer:
**Coating for intended use in concrete surface protection;
by moisture control and increasing resistivity; physical resistance methods**
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required under Article 11(5): **MAPEI S.p.A. – Via Cafiero, 22 – Milano (Italy)**
www.mapei.it
5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2): **Not applicable**
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V: **System 2+**
System 3 for reaction to fire
7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:
The notified body ICMQ S.p.A., No. 1305, performed the initial inspection of the manufacturing plant and of factory production control and the continuous surveillance, assessment and evaluation of factory production control, under system 2+, and issued the certificate of conformity of the factory production control No. 1305-CPD-0616.
The notified testing laboratory MPA Dresden GmbH, No. 0767, performed the determination of the class of reaction to fire on samples taken by the manufacturer, under system 3, and issued the report No.2007-B-3039/13.
8. In the case the declaration of performance concerning a construction product for which a European Technical assessment has been issued: **Not applicable**
9. Declared performance:

Essential characteristics	Performance	Harmonised technical specification
Abrasion resistance: Water vapour permeability: Capillary absorption and permeability to water: Resistance to thermal shock: Resistance to severe chemical attack: Impact resistance: Adhesion strength by pull-off test: Reaction to fire: Dangerous substances:	< 3000 mg Class I < 0,1 kg*m⁻²*h^{-0,5} ≥ 2,0 N/mm² reduction in hardness Shore D < 50% (Class II) Class III ≥ 2,0 N/mm² Classe B_{fi}-s1 NPD	EN 1504-2:2004

10. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 9.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by: **Paolo Murelli – Corporate Quality Management**
