

ECO ADHESIVES FOR RESILIENT, LVT, VINYL, TURF AND WOOD COVERINGS

Learn more on mapei.com

 **MAPEI**
ADHESIVES • SEALANTS • CHEMICAL PRODUCTS FOR BUILDING

MAPEI has developed a wide range of adhesives for resilient and textile wall and floor coverings that are solvent-free and have extremely low content of volatile organic compounds (VOC) in compliance with GEV standards, making it safe for installers and end-users.

MAPEI systems are suitable for industries in tourism, healthcare, residential, commercial and even sports facilities. Besides adhesives, MAPEI also offers solutions for screeds, smoothing compounds, primers and other ancillary products for a complete installation system.

OUR RANGE OF ADHESIVES
