THE **READY-TO-USE**
PU MEMBRANES BY MAPEI

PURTOP EASY SYSTEM

THE READY-TO-USE PU MEMBRANES BY MAPEI

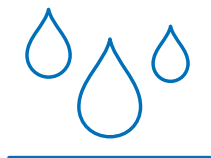

PURTOP EASY is a range of **ready-to-use polyurethane** products by Mapei for waterproofing balconies and terraces with just **one single coat**.

The **high elasticity** and **excellent bond-strength** to substrates of these particular products make them ideal for both new builds and old floors, **rapidly** guaranteeing a **perfect waterproofing** solution.

Their **versatility** also allows each installer to choose their preferred application method: with a **trowel**, **roller** or by **spray**.
