

# *Mapecoat™ Deck* Coatings

Attractive and Durable  
Wear Surfaces

Whether applied directly to an existing prepared substrate, combined with a MAPEI repair mortar or used to create a waterproofing system, *Mapecoat Deck T* is formulated to provide an attractive and durable wear surface for a variety of pedestrian traffic applications.

### ***Mapecoat Deck T***

*Mapecoat Deck T* is a water-based, slip-resistant coating specially designed for use on new and previously coated concrete. The integral texture of *Mapecoat Deck T* creates an attractive, durable wear surface for residential and commercial indoor/outdoor surfaces with the convenience and easy application of a single-component product.

# Mapecoat decorative pedestrian deck systems

## FEATURES AND BENEFITS

- Suitable for light to medium pedestrian traffic

## WATERPROOF PEDESTRIAN OVERLAY SYSTEMS

Decks and balconies can be challenging environments, used for a variety of activities and subject to wear and tear. For installations over occupied space, MAPEI offers solutions that incorporate our *Planiseal*® 288 flexible, cementitious waterproofing mortar

### **Mapecoat P 288 System**

1. Concrete deck
2. *Planiseal 288*, 60 mils WFT
3. *Fiberglass Mesh*
4. *Planiseal 288*, 40 mils WFT
5. Two coats of *Mapecoat Deck T*, 10 mils WFT per coat

### **Refinish System**

*Mapecoat Deck T* is compatible with most MAPEI repair mortars, giving you the versatility to customize your own refinish system.

- Concrete deck/sidewalk/patio, etc.
- *Concrete Renew™ Fine* or similar MAPEI products suitable for horizontal applications
- 2 coats - *Mapecoat Deck T*, 10 mils WFT per coat

## COLORS

Our suggested color range of 19 durable and optimized colors is just a start. If you have a particular color in mind, we have one of the largest color libraries in the industry as well as a custom color-match service for that special color.
