YOUR LEGAL RIGHTS:

This constitutes your entire express warranty for the product purchased. To the extent permitted by law, all other warranties, whether express or implied, including, but not limited to the implied warranties of merchantability and fitness for a particular purpose are excluded. Any implied warranties arising by operation of law are limited in duration to the term of this warranty. All other remedies including, but not limited to, direct, indirect, special, incidental or consequential damages, or for lost profits or business interruption loss are excluded under any circumstances. Yet, some provinces may not allow limitations on implied warranties, so the above limitation may not apply to you. The present warranty shall be governed by the laws of Canada and the laws of the province in which the aforesaid products were purchased. No implied warranty can be modified by any course of dealing, course of performance or usage of trade. This warranty gives you specific legal rights and you may also have other rights which vary from province to province. No representation, promise, affirmation or statement by any employee or agent of MAPEI will be enforceable against MAPEI unless it is specifically included in this warranty. FILING A CLAIM:

To file a claim under this warranty, you must contact us, in writing, within fifteen (15) days of your knowledge of the alleged manufacturing defect in our product, at MAPEI Inc., Attn: Technical Services Department, 2900 Francis Hughes, Laval, Quebec, Canada H7L 3J5. Proof of purchase of the alleged defective product must be submitted with any notice of claim. We have the right to physically inspect the job installation site, perform testing and obtain samples from that job installation and of our product used in that installation where the alleged warranty claim occurred before we determine the validity of your claim. We may engage independent third parties to perform such inspection, testing and taking samples as aforesaid. In order to perform (or have performed) the services described in the prior sentence, the person or entity filing a claim hereunder shall provide MAPEI with full access to owner's site and agrees to pay those services and all related costs of MAPEI if the claim is invalid under this warranty. Your claim must be received and evaluated by us before any repair work is performed; otherwise, this warranty will be null and void. For additional information regarding our warranty policy, please refer to our website at www.mapei.com/CA-EN/.

YOUR EXCLUSIVE REMEDY:

If a MAPEI product is proven defective, you will receive, as your sole remedy, MAPEI replacement products for only that portion of the original installation requiring replacement. If a MAPEI approved "system" of products is actually used in your project and any of those products are proven defective, you will receive, as your exclusive remedy, and at MAPEI's own option: (a) replacement products and the reimbursement of your reasonable and substantiated material and labor costs for only that specific portion of the original installation requiring replacement, including flooring, not to exceed the per square meter cost of the original installation; or (b) payment of an amount not to exceed the square meter cost of the original installation for the portion of the system of products proven to be defective. Due to conditions beyond the control of MAPEI (e.g., color and shade availability, discontinuation, normal wear and tear), MAPEI cannot guarantee or warrant an exact match to the specific flooring materials used in the original installation.
