\* Textured surfaces include brushed, flamed and tumbled.  
 \*\* Available in MAPEI's full color palette

# Sealers

## UltraCare® Penetrating Stone, Tile & Grout Sealer

- Economical, water-based penetrating sealer
- Protects against most common stains up to 5 years
- Won't change surface appearance

## UltraCare Penetrating SB Stone, Tile & Grout Sealer

- Solvent-based penetrating sealer
- Resists water- and oil-based stains
- For use on all natural stone, unglazed porcelain/ceramic tile, masonry, quarry tile and cement-based grout

## UltraCare Penetrating Plus Stone, Tile & Grout Sealer

- Premium, water-based penetrating sealer
- Maximum protection against most common stains
- Won't change surface appearance

## UltraCare Penetrating Plus SB Stone & Porcelain Tile Sealer

- Premium, solvent-based penetrating sealer
- Maximum protection against most common stains
- Specially designed for dense stones, such as granite, and unglazed porcelain tiles

## UltraCare Enhancing Stone Sealer

- Economical, color-enhancing penetrating sealer
- Protects against most common stains
- Easy to use: Provides sealing and medium color enhancement in one application

## UltraCare Enhancing Plus Stone Sealer

- Premium, color-enhancing penetrating sealer
- Maximum protection against most common stains
- Easy to use: Provides sealing and maximum color enhancement in one application

## UltraCare Grout Sealer

- Protects against most common stains
- For use on sanded and unsanded cement grout
- Water-based sealer
- Easy to apply and will not alter the color of the grout joint

## UltraCare Grout Maximizer

- Cement-grout additive for enhanced stain resistance
- No sealing required after grouting
- For use with *Keracolor® S Sanded Grout* and *Keracolor U Unsanded Grout*

## UltraCare Sealer for Glass Tiles & Shower Doors

- Transparent hydrophobic barrier technology helps to reduce soap scum, calcium, hard water deposits and grime from building up on and sticking to glass surfaces
- Makes cleaning of hard water and other contaminants quicker and easier
- Keeps glass cleaner, eliminating the need for harsh cleaners that may damage glass surfaces over time
- Does not streak or smear
- UV-stable

# Finishes

## UltraCare High-Gloss Sealer & Finish

- One-step, polymer-fortified formula
- Provides a durable, high-gloss finish and the maximum stain resistance
- Leaves a high-gloss finish on unpolished stones and terra cotta and Saltillo tile

## UltraCare Low-Sheen Sealer & Finish

- One-step, polymer-fortified formula
- Provides the maximum stain resistance
- Leaves a durable, low-sheen, satin finish on unpolished stones

# Cleaners

## UltraCare Concentrated Tile & Grout Cleaner

- Highly concentrated, lemon-scented, neutral cleaner for everyday use
- Neutral-pH formula is ideal for natural stone, grout and tile
- Helps to prevent soap scum and hard-water deposits

## UltraCare Heavy-Duty Stone, Tile & Grout Cleaner

- Highly concentrated and high-alkaline cleaner and degreaser
- Ideal for neglected areas, or areas subjected to heavy use
- Specially formulated to strip off synthetic and acrylic waxes and floor finishes

## UltraCare Acidic Tile & Grout Cleaner

- Highly concentrated acidic cleaner
- Formulated to remove cement grout haze, mineral deposits, lime deposits, rust stains, soap scum and mortar residue
- Contains no phosphates

## UltraCare Abrasive Surface Cleaner

- Powerful abrasive cleaner
- Safe to use on a variety of surfaces
- Will not scratch or etch most polished surfaces

## UltraCare Everyday Stone Clean and Polish

- Cleans and helps enhance the appearance and beauty of natural stone in one step
- Ideal for kitchen and bathroom countertops
- Lemon-scented

## UltraCare Everyday Stone, Tile & Grout Cleaner

- Ideal for kitchen and bathroom countertops
- Dissolves grease, dirt and soap scum
- Perfect for use on natural stone, grout and tile

## UltraCare Everyday Stone & Grout Cleaner & Resealer

- Boosts the performance of any existing penetrating sealers while cleaning and deodorizing
- Ideal for kitchen and bathroom countertops
- Dissolves grease, dirt and soap scum

# Problem-Solvers

## UltraCare Grout Refresh™

- Seals and protects grout
- Restores or recolors any grout color
- Available in MAPEI's full palette of grout colors

## UltraCare Grout Release

- Sacrificial coating to minimize the risk of grout haze and film residue on tiles
- Improves cleanability, saving time and labor
- Rinses with water during cleanup

## UltraCare Cement Grout Haze Remover

- Professional-strength formulation
- Removes cement grout haze from tile, concrete and stone surfaces
- Acidic and low-odor

## UltraCare Epoxy Grout Haze Remover

- Professional-strength formulation
- Removes epoxy grout haze from tile, concrete and stone surfaces
- Low-odor and nonflammable

## UltraCare Sulfamic Acid Crystals

- Removes cement grout stains and mortar haze film residue
- Removes efflorescence, rust stains and other mineral deposits
- For interior and exterior applications

## UltraCare Heavy-Duty Sealer & Coating Stripper

- Helps to remove tough coatings, lacquers, varnishes and sealers
- Effectively dissolves heavy buildup of wax and grease
- Nonflammable and formulated to stay on the surface longer for easier stain removal
