

UltraCare® Problem-Solving Guide

MAPEI's *UltraCare* products offer a comprehensive lineup of care and maintenance solutions for stone, tile and grout installations. The *UltraCare* family features premium sealers, highly concentrated cleaners, professional-strength problem-solvers and one-step finishes with maximum stain resistance. Each product is formulated to be easy to use, as well as to provide outstanding performance and durability.

ROUTINE CLEANERS

- Ready-to-use products*
- Ideal for everyday cleaning of light dirt and soil buildup
- Ideal for use in kitchen and bathroom countertops/backsplashes

** When diluted with water, UltraCare Concentrated Tile & Grout Cleaner's concentrated formula helps to clean without affecting surface or penetrating sealers.*

ALKALINE CLEANERS

- Ideal for degreasing and removal of oils
- Ideal for stripping waxes and finishes
- Ideal for heavy-duty and deep cleaning

ACIDIC CLEANERS

- Ideal for removal of rust and hardwater deposits
- Ideal for removal of efflorescence
- Ideal for removal of cement grout haze/residue

SOLVENT-BASED REMOVERS

- Ideal for stripping and removal of sealers
- Ideal for removal of epoxy grout haze/residue
- Ideal for removal of dyes, inks and paints
- Ideal for removal of glues and adhesives
